

Seagull manager bingo

by Timestripe.com

You constantly feel like a failure after syncs

Says "Am I the only one holding this company together?"

Throws a tantrum when sees your coworker struggles with task

Your goals always unclear

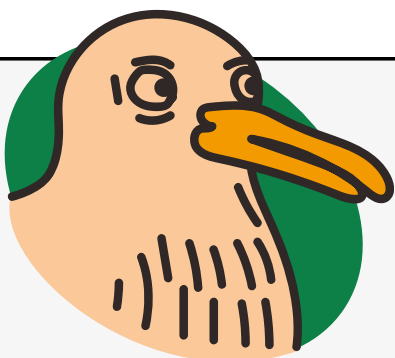

If you climbed Mount Everest, they'd ask why the flag isn't straight

"Daily tasks? without me, guys..."

"What about..." at 2 am

Always dances around direct questions about the project

You and your team often feel lost

When Managers Take Flight:
What is "Seagull Management"
and How to Avoid It
